From
The Collector Belgaum Corporation
No. LI PR 31/50-51 dated 20 11 52
forwards for sanction draft declaration
proclamation under Sec 17 of the LA Act

The Collector's Report is for perusal
of the Govt that the property in question
was in possession of prior to 1938-39
to the village panchayat which thereafter
transferred to the Corporation / was not
paid
by the village was included in the Municipal
limits in the year 1938 39, and thereafter
Corpn under the Corporation to regularise
the proceedings, proposals for acquisition under
Sec 17 of the Land Acq Act are now sent esp
for sanction and the approval of the Secy
Concerned for declaring proclamations dated 22 7 52
and 21 8 52. The approval of the Corporation
for the acqn is not necessary as the value
of the property is less than Rs 1000/-.
The Collector has not explained the
reasons for the delay in submission of
the proposal Further the property was
in possession of prior to 1938 when

6 Secret

Siddapur was a village panchayat. The value of the property must have been very much less than the value it is now. The Collector's valuation of Rs. 285/- for this small plot appears to be on the basis of the present market value. It is not stated by the Assistant Commissioner when possession was taken of the property. The village panchayat had prepared a valuation statement and so what was the compensation was fixed. The peculiar circumstances in which the case comes before Government may also justify a decision being taken on the reference to the "legal" position whether the compensation to be paid to the owner should be at the rates prevailing when the property was taken possession of or at the current market rate. This appears to be necessary on principle though the amount involved is small as it would help decide future similar cases on precedent

Regd 5/12/52
Regd 6/12

4) With regard to the quantum of compensation, the land acquisition officer will decide it. The property in question is already taken possession of, road formed and also maintained. Therefore, there is no necessity for the action taken and payment of compensation. Hence acquisition may be sanctioned under section 17 of the L.A. Act.
